Schedule Settings

Round Name: * 

Schedule Visibility: * 

Schedule Status: * 

Description/Comments:

Scheduling Criteria

Start Date: *

End Date: *

Rotate Fields:
Used for indoor season to rotate between Soccer Centres.

Is Current:
A maximum of 1 Round can be current in a given Division at any time. Setting this Round to current automatically updates the status of other Rounds in this Division. Please note that, if Rounds are split across multiple Divisions, each Division must be manage separately.

How to Handle Extra Games: * 

If there are extra games, do we allocate them past the end of the season (Overflow) or do we discard them (Truncate)?

Schedule Settings

Season: 2016 Outdoor

Division Name: * U10 Boys City Wide

Description/Comments:

Scheduling Criteria

Game Duration (min): * 60

Handling of Discipline: *
 Zone
 EMSA Main

Prevent Coach Conflicts:
If this box is checked, then the optimizer will attempt to schedule games such that head coaches are able to attend all games.

Field Allocation Strategy: * Random across Zone

as per North Zone, no home fields
